Director and Owner - Center for Forensic and Clinical Psychology of New Jersey LLC (*Formerly called Center for Forensic and Clinical Psychology of NJ, Inc since 2000*) Current

Dr. Greenberg is routinely retained to provide comprehensive psychological evaluations and consultation, including assessments, psychological testing, expert witness testimony, and litigation consultation for prosecution, defense, and plaintiffs.

Criminal Evaluations:

Contact and non-contact sexual assault for children, adult survivors of child abuse, adolescents and adults, violence risk assessment, competency to stand trial, criminal responsibility, juvenile and adult mitigation evaluations, non-violent and violent sexual offender for adults, internet pornography, murder, and sentencing evaluations.

Juvenile Evaluations:

Forensic psychological evaluations related to emotional distress, psychological trauma, disabilities, risk assessments, competency, and NGRI.

Civil Evaluations:

Personal injury for emotional distress, wrongful termination, employment discrimination and harassment-work related, domestic violence, workplace violence, malpractice, MVA, and clergy abuse.

Pre-employment and Fitness for Duty Evaluations:

Fit-for-duty police, safety personnel, clergy, and other civil service fit-for-duty and licensing issues.

Immigration and Crimmigration Psychological Evaluations

Forensic psychological evaluations for petitions of children, adolescents, and adults dealing with applications related to extreme and exceptional hardship, extreme hardship cases, asylum, VAWA, U Visas, T Visas, S Visas, torture, persecution, and non-documented individuals who have allegedly committed or are convicted of crimes in the U.S., including sexual crimes, human trafficking, criminality and gangs, terrorism, and other. Testimony experience.

Psychological Evaluations for Returning Veterans: 2012 – 2020, retraining began in Fall 2024
Conducted Veteran Disability Examinations: Assess psychological problems and suicidal issues, if any, provide opinions on whether psychological issues are related to military duty, and offer recommendations to veterans returning home from war. Logistics Health International: Medium clearance -No evaluations due to COVID-19 and just now (August 2024) renewing work.

Administrative and Supervision: Oversee a team of 25+ members, including administrative staff, forensic psychological assistants, editors, language interpreters, and undergraduate and graduate-level students who assist in providing comprehensive, meaningful, and evidence-based psychological evaluations and reports for our clients. Engages in evolving thought leadership to offer supervision, mentorship, training, lectures, and teach-back experiences to the team. Directs strategic plans for profit generation.

Outpatient Psychotherapy 1997 – 2019
Psychotherapy for individual, marital, and family challenges for children, adolescents, adults, and older adults. Specialization in issues of trauma, violence, abuse, accidents, and other catastrophic issues. Utilize evidence-based therapeutic directives.

International Psychological Consultation 2008 - 2016
Provided psychological consultation and culturally sensitive services to on-site key interventionists for organizations that work against human trafficking as well as psychosocial treatment centers for human trafficking, sexual abuse, and refugees in underdeveloped regions. This work included psychological consultation and support in Cambodia to Somaly Mam, the Stung Meanchey Vulnerable Children's Dump, the Anti-Sex Trafficking Organization, and a girl's orphanage in Cambodia. Consultation was provided for a project for children and families living in and around the garbage dump in Guatemala and Nicaragua, as well as to the ITEMP-Institute of Trafficking and the Exploited and Missing Persons as part of Gods Child in Guatemala and to the Children's Hospital in Peru.

Futurehealth Annual Conference on Brain Functions/EEG, Modification and Training: An Advanced Colloquium on Neurofeedback and Progressive Therapies. 1996 – 2006

Event Manager: Managed all aspects of on-site daily conference operations, presenters, and personnel (from script to screen). Co-organized and participated in the Intellectual Exchange Salons for Speakers and provided lectures on trauma, health psychology, and clinical psychology issues.

University of Medicine and Dentistry of New Jersey | Preventive Cardiology Program
Director of Psychology, Clinical Assistant Professor 1989 – 1990, 1992 – 2000

Worked with the NHI and NHLBI research projects: Women's Health Initiative (WHI), the Dietary Intervention Study for Children (DISC), and Trials of Hypertension (TOHP). Involved in behavioral protocol development, in-service training programs, and supervision to a multidisciplinary team. Led Grand Rounds for medical students and departmental staff. Developed and implemented the Mind Body Health Lecture series for Cardiac Risk Prevention Program patients.

Morristown Memorial Hospital | Mind Body Programs

Clinical Provider

1993 – 1996

Mind-body Stress Reduction, Oncology, and Insomnia Programs were originally designed by Drs. Boryosenko and Benson at the Mind Body Medical Institute, Deaconess Hospital, Boston, MA. Provided workshops, lectures, and training to groups in the hospital and to business corporations in New Jersey.
